Fresh Healthcare maintains this website and blog as a resource intended for informational purposes only. It is not provided as a professional service or as medical advice, but rather is intended to provide general information about medical conditions and health topics. It is not a substitute for professional medical care. If you have, or suspect you may have, a medical condition, you should consult your physician or health care provider. In case of a medical emergency, call 911 immediately.

This website provides links to other resources that we make available as a convenience to our users. We do not control or endorse any such sites, the content on such sites, or any products or services sold on such sites, and specifically disclaim any responsibility for the content of such third-party sites. Any links we provide to other resources on our website are done as a courtesy only and solely for informational purposes. Furthermore, those third-party websites may have privacy practices which differ from our own. If you submit personal information to any of those sites, your information is governed by their privacy statements and terms and conditions. Any reference to specific products or services on such other sites does not constitute or imply recommendation or endorsement by Fresh Healthcare.

Users of this site assume full responsibility for their use of the information obtained from this site, and agree that through their usage of this site Fresh Healthcare is not responsible or liable for any claim, loss, or damage arising from the use of the information.
